Dear Laura-Jo

### **Proposed Taylors Hill Secondary College – 135 to 149 City Vista Court Plumpton – Taylors Hill West Precinct Structure Plan – Request for Planning Scheme Amendment**

The Department of Education and Training (DET) decided earlier this year to construct a full size Year 7-12 secondary school on the site identified in Taylors Hill West Precinct Structure Plan (PSP) as “part government school and part non-government school”.

The decision was made in consultation with the Melton City Council and the Metropolitan Planning Authority to revise the configuration of planned future school provision within the PSP.

It is appropriate that the “non-government school” designation be removed from the PSP and we understand that a planning scheme amendment is required to facilitate this.

DET requests Melton City Council to undertake a planning scheme amendment to update the PSP to reflect the revised school provision.

It would be appreciated if you would confirm that the Melton City Council will undertake the planning scheme amendment.

Please contact me on T. 9637 2477 or E. [natalizio.anthony.a@edumail.vic.gov.au](mailto:natalizio.anthony.a@edumail.vic.gov.au) if you require any further information.

Yours sincerely
