Cr Bob Turner  
Mayor  
City of Melton  
PO Box 21  
MELTON VIC 3337

Dear Cr Turner

Thank you for your letter dated 6 June 2018, sent to the Minister for Roads and Road Safety, the Hon Luke Donnellan MP, regarding the intersection of the Melton Highway and Leakes Road. I apologise for the delay in responding.

The Melton Highway is recognised as an important transport corridor in the Melton growth area and VicRoads has begun investigating the broader section of the Melton Highway between Melton and Hillside, in particular current issues along the road and priority needs. The potential signalisation of the intersection of the Melton Highway and Leakes Road will be considered in this context.

VicRoads has been liaising with officers of the City of Melton in regard to this issue. Due to the growth and urban development in the area, VicRoads is investigating options that will be considered in a future funding program.

Should you require any further information, Ms Hazel Lirios, VicRoads Acting Team Leader, Movement and Safety West, Metropolitan North West Region (Tel: 9313 1169), would be pleased to assist.

Yours sincerely

Hon Luke Donnellan MP  
Minister for Roads and Road Safety
