

MEDIA RELEASE

10 November 2023

Market first for City of Melton

Fraser Rise will come alive when 40 stallholders showcase their wares at the Melton City Council's first Love Local Market.

The market provides an opportunity for local businesses to sell their products, showcase the services they provide and promote their business.

Stallholders at the market will be selling personalised gifts, handmade jewellery and accessories, candles, festive décor, self-care plans, fresh flower arrangements, even conveyancing services and disability services.

A range of free activities for families will also be available including a community barbeque, a nature activity, facepainting, henna painting and live music.

Due to popular demand at previous Council events, we are bringing back our pre-loved children's items section where community members can browse a range of donated items that are free to take home.

The Love Local Market is at Fraser Rise Children's and Community Centre (46 City Vista Ct, Fraser Rise) on Sunday, 26 November between 10am and 2pm.

Quotes attributable to City of Melton Mayor Cr Kathy Majdlik

"Everyone loves wandering around local markets looking for that special gift for a loved one or a friend."

"Love Local markets highlight the quality and creativity of residents and businesses that call the City of Melton home."

"This is a really easy way to support people and businesses in our own community and boost the local economy."
