9 August 2024

City of Melton Learning Festival is back

The City of Melton Learning Festival is back for its sixth year – and it's bigger and better than ever.

Join us for a seven-day celebration of curiosity, learning, fun and knowledge at a series of events for all ages and abilities.

This year's festival theme is Sustainability, and we are excited to bring you more than 40 earth-friendly programs throughout the week at our libraries and community centres.

With author talks, workshops, DIY crafts, live music and demonstrations – there's something for everyone.

Kick off the festival at Melton Library and Learning Hub on Saturday 31 August with live music, face painting, demonstrations on gardening and cooking, art workshops and more.

The theme of Sustainability is about hope and the actions we can take to help preserve our environment now and for future generations.

The Melton Learning Festival takes place from 31 August to 7 September.

Discover the full program and book your place at www.melton.vic.gov.au/LearningFestival

Quotes attributable to City of Melton Mayor Cr Kathy Majdlik

"The festival is a great reminder that learning new skills at any age can be fun and rewarding and keeps your mind active."

"The festival takes learning out of the classroom and into kitchens, gardens, community centres and libraries."

There are many fun, free activities happening near you. I encourage everyone to challenge yourself by trying something new or learning more about an existing passion or hobby."
