To Manager City Design and Strategy,

I am the owner of [REDACTED].

With relation to the above planning scheme amendment at 501 Brooklyn Rd, i write to confirm that i am strongly in favour of this amendment proceeding.

It seems ridiculous that a property can have a public acquisition overlay over a driveway access when the main property does not have this overlay.

this amendment should be expedited to be removed immediately.

I am happy to discuss further if required.

Regards
