## L2P LEARNER DRIVER MENTOR PROGRAM

Do you have a full Victorian Driver's Licence?

Do you relate well to young people?

Can you commit to 1-2 hours per week?

YES? Then why not become an L2P Driver Mentor Program volunteer supervising driver mentor?

### What is L2P?

The L2P Learner Driver Mentor Program assists young learner drivers, aged 16-20 years, who are without appropriate family support to achieve their necessary 120 hours of supervised driving experience. A fully fuelled car is provided.
