

# COMMUNITY PARTNERSHIP PROGRAM

Is your group interested in building connections, cultural learning, promoting mutual respect and partnering with diverse groups and organisations on a shared project?

Do you have skills to share or want to learn new skills with others? Do you require assistance or funding for your project?

Be a part of the award-winning Melton City Council Community Partnership Program!

Create lasting partnerships between community groups that benefit the broader community. We encourage Melton's diverse and under-represented communities to take part.

## EXPRESS YOUR INTEREST NOW

To express your interest, scan the QR code or visit our website.

**EOI submissions closes Monday 17 March**

Alternatively, you can contact our Community Development Officer via email or phone.
