

Project Officer Listing: Community Grant Applications

It is mandatory for all Community Grant applicants to speak with a relevant Council Project Officer regarding their project idea prior to submitting a grant application. Project Officers will be interested in knowing the details of your project and what the benefit will be. Furthermore, Project Officers are available to provide specialist advice on project related concerns and offer support for your project.

Please refer to the table below for suitable contacts. If you are unsure on who to contact, or would like to discuss the application process, please contact the Community Grants team on 9747 7247.
